Continuing Education

AAFP CMEs: This Live activity, Perinatal Mood Disorders: Components of Care, from June 3, 2020 to June 2, 2021, has been reviewed and is acceptable for up to 14.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

APA: Postpartum Support International (PSI) is approved by the American Psychological Association to sponsor continuing education for psychologists. Postpartum Support International (PSI) maintains responsibility for this program and its content. Course eligible for up to 14.5 Credit Hours.

CNE: This continuing nursing education activity was approved by Oregon Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Approval valid through 03/04/2022. OCEAN ID #2020-04.

NASW: This program is Approved by the National Association of Social Workers (Approval # 886708348-8754) for 14.5 continuing education contact hours.

NBCC: Postpartum Support International has been approved by the National Board for Certified Counselors (NBCC) as an Approved Continuing Education Provider, ACEP No. 6765. Programs that do not qualify for NBCC credit are clearly identified. Postpartum Support International is solely responsible for all aspects of the programs. Course eligible for up to 14.5 credit hours.

Logistics by:

Upon completion of this course, the participant will be able to:

1. Identify the challenges faced when identifying and treating perinatal mood and anxiety disorders.
2. Describe the symptoms and understand the differential diagnosis of prenatal and postpartum depression, anxiety, panic disorder, OCD, PTSD, bipolar disorders and psychosis.
3. Discuss psychopharmacology as it relates to pregnancy, postpartum, and lactation.
4. Assess prenatal and postpartum risk factors.
5. Assess for perinatal mood and anxiety disorders.
6. Identify treatment options for perinatal mood disorders (PMDs).
7. Discuss breastfeeding and PMDs.
8. Develop psychosocial and self-help treatment plans as well as appropriate psychotherapy techniques and alternative therapies.
9. State appropriate psychotherapy modalities.
10. Indicate consequences of untreated PMDs.
11. Discuss effects and consequences on partners.
12. Identify social support, legislative changes, and community resources, including how to set up support groups and offer social support.
13. Discuss cultural differences and PMDs.
14. Discuss spirituality and PMDs.

Sponsored by:

Place: Presented via Zoom Webinar

Training: 8:30 am - 5:00 pm (Mountain time, both days)

Registration Deadline: 5/10/2021 | **Cost:** \$375.00*

*Montana Providers: Register for only \$99. To get your coupon code, contact Orrin Banta at orrinbanta@postpartum.net before you register.

Registration includes training manual and certification of continuing education. Cost is discounted if you are a PSI member, PSI volunteer, or student. See the registration site for more information.

The fee for continuing education certification is included in the registration fee. Continuing education certificates will be emailed approximately three weeks after the training event. Candidates for continuing education certification must document their time at the event by signing in and out for the event.

Cancellation Policy: If you cancel before May 11, 2021, you will get a full refund minus a \$50.00 processing fee. If you cancel May 11, 2021 or later, you will be refunded 50% of your registration fee minus a \$50.00 processing fee. Fees can be transferred to future events, and substitutions are accepted.

Questions? Please contact Orrin Banta at orrinbanta@postpartum.net.
